THE SEA OF GALILEE, WHERE THE JOURNEY BEGINS

WELCOME

A pilgrimage through the land of the Gospel.

Some journeys are measured in miles. This one is measured in Scripture. Over ten days, Footsteps of Faith moves through the land of Jesus, from the green hills of Galilee where He taught and called His first disciples, down to Bethlehem where He was born, and on to Jerusalem and the road of the Cross.

The route is built around the sacred sites, with time set aside for prayer, for Scripture, and for personal devotion. Married couples are invited to renew their wedding vows at Cana, and travelers renew their baptismal promises at the Jordan River. A licensed guide accompanies the group throughout, and the pace is unhurried, so the great moments are given the time they deserve.

Every hotel, coach, guide, and entrance has been arranged for you by Flock, drawing on a heritage of guided group travel that reaches back to 1959. All that is left for you to do is arrive.
